

Remarks

No new matter is entered by the foregoing amendments, which are sought to correct certain inadvertent errors in the sequence listing identified on the sequence error report attached to Paper No. 22. Support for the amendments to the Sequence Listing can be found throughout the specification, for example at pages 68-71 and throughout the Examples and the Drawings. In accordance with 37 C.F.R. §§ 1.821 and 1.825, Applicants' undersigned representative hereby states that the substitute Sequence Listing submitted herewith adds no new matter to the specification, and the paper and computer-readable copies thereof are the same.

Applicants submit that this application is in condition for immediate examination. Early notice to that effect is earnestly solicited.

Respectfully submitted,

STERNE, KESSLER, GOLDSTEIN & FOX P.L.L.C.
